

Need transportation for your team to our facility or anywhere throughout your season?? Check out Cheerportation below

TVT Gym Rentals, choreography, and trainings

TVT Allstars offers your youth or school cheer team many different options to help enhance their season. Here is a list of the many options that we have for your cheer program needs:

Email rentals@tvfallstars.com for quotes and more information

School Training – Staff will train your team on stunts, tumbling, tosses, pyramids, and jumps. You can schedule weekly or monthly training sessions depending on you and your athlete’s schedules!

Competition and Half-Time Choreography – Get an innovative routine and professional coaching! TVT Allstars is the place to go for your choreography needs! We have choreographed teams from pop warner, high school, college and prep all star teams

Summer Stunt & Tumble – Keep your squad in shape with our summer program. You and your teammates can come in weekly and our staff will arrange stunt groups and work on new skills for the upcoming season.

Private Summer Clinic – Let us customize a summer clinic to fit your needs! We can focus on any and all areas of cheerleading and design the clinic around your team’s schedule.

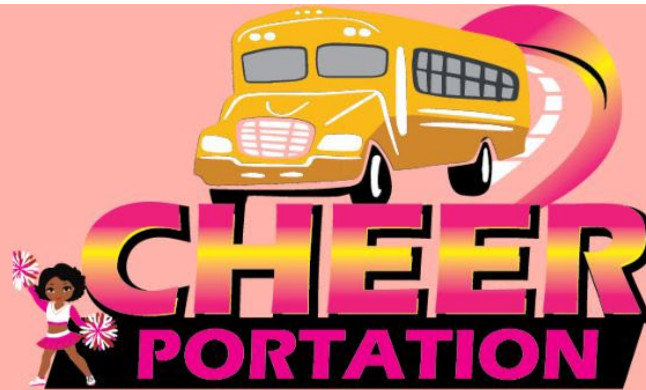

Private Group Tumbling Class – The class would be solely open to cheerleaders from your school. Once a week or twice a week, we can accommodate your needs! If you want to set up a 8-12 week program to run during your season, it will be \$100 per session, no matter how many athletes you have.

Gym Rentals- if you would like to rent our mats for anything that doesn’t require one of our instructors, we would love to have you. Our mat rentals are \$50 an hour. You can choose one time, weekly or monthly.

Youth travel group tumbling- this class is offered only to our youth programs that can’t travel to our facility for weekly tumbling. We will come to you! An instructor will travel to your practice area and will bring limited equipment to teach an hour tumbling session to all your teams or you choose specific teams. We also encourage and teach your volunteer coaches how to properly spot the athletes on the skills they are working on

Cheerportation Services- this new charter service company is here to fulfil any of your charter service needs from group events to airport travel. We specialize in helping the cheer community get to anything needed throughout their season. We also help parents by providing weekly rides to and/or from practices. Check out our flyer below

Need transportation for your team to our facility or anywhere throughout your season?? Check out Cheerportation below
